LONDON Sept. 25 (AP)—The U.S. Air Force announced today that it had received a report from a pilot who had been shot down in North Vietnam. The pilot, who was captured, was reported to be in good health and was being held in a prison camp. The Air Force said it was trying to locate the pilot and was offering a reward of \$50,000 for information that would lead to his release.

The report came from a pilot who had been shot down in North Vietnam. The pilot, who was captured, was reported to be in good health and was being held in a prison camp. The Air Force said it was trying to locate the pilot and was offering a reward of \$50,000 for information that would lead to his release.
