Pope Urges Intensified Prayers For Peace

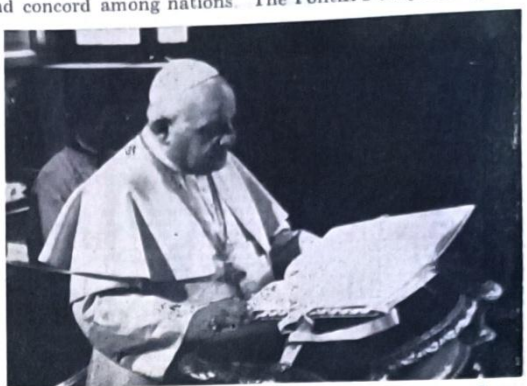

VATICAN CITY, Sept. 29 (AP) — Pope John XXIII in an encyclical letter made public today urged Roman Catholics everywhere to intensify their devotion to the rosary in behalf of peace and concord among nations. The Pontiff's encyclical particularly urged that recitation of the rosary be intensified during the month of October, a month when Roman Catholics especially pray to the Virgin Mary.

According to Roman Catholic tradition, the Virgin Mary instructed St. Dominic — who lived in the 12th Century — to propagate use of rosary beads for prayer.

Beginning in 1883, with an encyclical by Pope Leo XIII, various Popes have issued encyclicals urging devotion to the rosary.

Pope John in his encyclical, recalled that the first anniversary of the death of his predecessor, Pius XII, who was especially devoted to the Virgin Mary, will occur Oct. 9.

The Pontiff also pointed to two other events in October as further reason for intensified recitation of the rosary — the consignment of crucifixes to new missionaries and the first centenary of the foundation of the North American Pontifical College in Rome. Both occur Oct. 11, and the Pope, who will officiate at both ceremonies, described them as joyful events.

Engineers To Study Damage To Beached Dutch Liner

TOKYO, Sept. 29 (UPI)—Japanese technicians will study the beached Dutch liner Tjitjalengka tomorrow for preliminary estimates of damage, a spokesman for the Royal Interocean Lines, the ships agents here, said tonight.

The 10,973-gross-ton liner was driven aground by high waves near Yokkaichi Saturday night by heavy winds of typhoon Vera, one of the most destructive storms to hit Japan in a quarter century.

All passengers aboard the vessel, except 24, were landed before the ship's master P. Hoetjer took the ship and its crew of 183 out into Ise Bay near Nagoya to ride out the storm.

Passengers who got off at Nagoya and others who left the ship at Kobe were expected to come by other means to Tokyo, he said.

The 185-member crew included about 20 Dutch officers, while the rest were either Chinese or Japanese.

The spokesman said a first check of the vessel indicated the damage was "not too serious." The ship will be refloated and taken to Yokohama where it was to be overhauled anyway, the spokesman said.

He said if the repairs could be done in time, the Tjitjalengka would leave Yokohama again Oct. 12 for Nagoya. From there it would go to Kobe and start its return trip to South America via South Africa Oct. 17.

Shostakovitch Hits 'Tasteless Discs'

MOSCOW, Sept. 29 (UPI)—Famed Russian composer Dmitri Shostakovitch complained yesterday that the quality and presentation of phonograph records in the Soviet Union were unsatisfactory.

Shostakovitch, in a letter to the official Communist Party newspaper Pravda, said the records were packaged tastelessly.

"The good quality of records achieved by the all-union studio decreases when records are put into mass production in factories," the composer said.

"The equipment at record factories is out of date. The decoration of the records is tasteless," he said.

Rome Court Clears Alba In Death Of 'Teddy Boy'

A Rome court Monday cleared 19-year-old Alba Sbrighi of killing a teddy boy who attacked her.

The Rome court said the fact she hit an artery and he bled to death was pure chance. She repeatedly said she was only trying to defend herself and scare the boys — but did not want to hurt them.

'Go To Your Left, Your Right, Your Left...'

FORT CAMPBELL, Ky., Sept. 30 (AP) — Six U.S. paratroopers marched down the road, talking of beer and women.

They were in the process of setting an unofficial Army record of marching 93.6 miles in 37 hours. Their march was to test the foot mobility of the 101st Airborne Division.

Motorists passed by, looked, and asked questions. "When we told them what we were doing, they thought we were crazy," said Pfc. Steve Koretz Jr., 18.

But nobody offered them a ride until the final 10 miles when three girls in a convertible offered a lift.

"Boy, did that take will power to turn down," said Lt. Frederick Borneman. "Those last 10 miles were the hardest."

The six volunteers went from Camp Breckinridge back to the 101st Airborne Division home base here.

They wore field uniforms minus combat packs, and marched 50 minutes of every 60.

The shortest man of the group was five-four inch Pvt. Walter Parrott who "had to walk twice as fast, it seemed to me."

"I was in a hurry to get back. It's payday tomorrow," Parrott said.

How did they keep going?

"We sang and we talked. Mostly about women and beer," Parrott said.
