Giannini Monopoly Case Will Continue

WASHINGTON, June 6 (AP)—A Federal Reserve board spokesman during the weekend said Amadeo Giannini's death will not alter or interrupt the Board's monopoly proceedings against the Trans-America Corp., a holding company for the giant Bank of America, of which the elder Giannini was founder and chairman.

The board is investigating whether the corporation's expansion have tended to create a western banking monopoly. The spokesman said hearings will be resumed soon. Trans-America has not opened its defense yet.
