LEND ME YOUR EARS:

Women's Club To Hear U.S. Cultural Attache

'MARGARET FULLER OR THE QUEST FOR LOVE' is the title of the talk that U.S. Cultural Attaché **John L. Brown** will deliver before members of the American Women's Association of Rome at their May luncheon-meeting, to be held at the Excelsior Hotel Wednesday. (Note change from the usual day. Reason is that Thursday is Ascension Day, a national holiday.)

Margaret Fuller, an American, was one of the remarkable women of the 19th Century. An intimate friend of Mazzini, a passionate supporter of freedom, she was in Rome throughout the siege of 1849 as directress of the Fatebenefratelli Hospital. She was editor of the most intellectual of New England reviews, The Dial, muse of the transcendentalist movement and author of the first important work on feminism, "Woman in the 19th Century." She came to Europe in 1846 as representative of Horace Greeley's New York Tribune and became acquainted with such personalities as Carlyle, Wordsworth, the Brownings, George Sand and Chopin.

In his talk **Brown** will touch on her years in Italy, her friendship with Mazzini, her services to the Risorgimento and her romantic secret marriage to the young Marchese Ossoli.

Previous to the luncheon, AWAR members will hold their annual elections. Voting is to take place between 11:30 a.m. and 12:45 p.m., with the lunch scheduled for 1. For reservations or information, call Mrs **David Schindell**, 320.332

AFL Club Owners Propose Appealing Rules Changes

BUFFALO, N.Y., July 17 (UPI) — American Football League club owners, convinced that prosperous days are ahead for their young loop, recently took up some proposed rules changes designed to have greater appeal for spectators.

One rule almost certain to be adopted would provide for a "sudden-death" overtime period to decide games tied at the end of regulation play. The owners were said to favor this by a 6 to 2 margin.

Two other proposals, presented by president Harry Wismer of the New York Titans, faced tougher going.

One suggested change would eliminate the fair catch on punts, requiring downfield tacklers to remain five yards from the punt receiver until he catches the ball. The other change would require that kickoffs into the end zone be rushed out by the receiving team, instead of downed for an automatic touchback.

The cheery note of "prosperity around the corner" was sounded by commissioner Joe Foss at a news conference following the opening day of the league's summer meetings.

Foss noted that advanced ticket sales in the new pro league were running approximately 70 per cent ahead of last season and that the AFL was on sounder financial footing than at any time since it was founded in the fall of 1959.

The league lost an estimated $2,500,000 during its maiden 1960 season.

"In our first year of operation our prestige has come up considerably," Foss said. "And it continues to rise as a result of our national exposure in a short time of operation."

Foss said that the Buffalo Bills and Denver Broncos already were far ahead of last pre-season's ticket-selling pace.

Calvin Kunz, new president of the Broncos, said his club has sold 3,400 season tickets thus far, or about 800 more than during the entire 1960 season.

The commissioner said he had been approached by at least 10 groups seeking to buy existing clubs or start new franchises in the AFL.

Foss said he told these groups it would take $1 million to start a new club.

"They were not discouraged and all are still on my list of prospective franchise owners," Foss said.

Toledo University To Host Tourney

TOLEDO, Ohio, July 17 (AP) — International wrestling's top event, the world championships, will be held in Toledo next June, it was announced.

Joe Scalzo, University of Toledo wrestling coach and a member of the International Amateur Wrestling Federation (IAWF), said he was notified of Toledo's selection in a cable from Roger Coulon of Paris.

It will be the first time the championships will be held in the United States.

The championships will be June 11-17 at the University of Toledo. More than 200 of the world's top wrestlers, including many from Iron Curtain countries, are expected to compete in both the free-style and Greco-Roman events.

U. S. Men Triumph

started with the bar at 2 meters. Brumel started when it was upped to 2.05.

After Avant and Shavlakadze had dropped out, Brumel and Thomas continued their struggle. Light rain began to fall as they began their assault on the 2.19 meter height. Both skipped the next stage—2.21—and asked for 2.24, the undisputed world record mark. The rainfall increased and conditions rapidly worsened.

Thomas made three unsuccessful attempts and Brumel failed in two. Then, with the stadium hushed, the Russian slid over on his third crack and the record was his.

Thomas said later, "I said before the match that if Brumel was going to beat me, he would have to break a world record to do it. Well, he did it. But I'll do it too. I had no excuses. I felt as good today as I've ever felt."

Another world record went in the broad jump, where Ralph Boston cleared 8.28 meters in beating out Russia's Igor Ter-Ovanesyan, Europe's number one.

CLUBS KEEP CHECKBOOKS HANDY

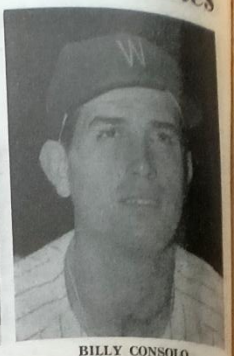

Bonuses Are Worthwhile--Sometimes

DICK GROAT
. . . earned his bonus

LINDY McDANIEL
. . . earned his bonus

BILLY CONSOLO
. . . didn't earn his

NEW YORK, July 18 (AP)—Baseball bonus payments are worthwhile when players such as Harmon Killebrew, Sandy Koufax, Al Kaline and Dick Groat are on the receiving end.

These four coupled with Mike McCormick, Robin Roberts, Lindy McDaniel, Curt Simmons, Harvey Kuenn and Johnny Antonelli are excellent reasons why major league ball clubs are dishing out king-sized bonuses to untested youngsters.

It's also dollars to doughnuts that many among the scores of bonus babies signed this season will end up in the scrap heap — the same one into which have fallen such $50,000-$100,000 failures as Paul Giel, Billy Consolo, Paul Pettit and Billy Joe Davidson.

But it's the success of the Killebrews and the Koufaxes that make it mandatory for the scouts to work full time and the clubs to keep their checkbooks handy.

Killebrew, who got $50,000 to sign with Washington in 1954, found the range with the Senators in 1959, hitting 42 homers to tie for the American League lead. He walloped 31 last year and this season he's already had 27 homers to go with a sparkling .352 batting average for the Minnesota Twins.

It has taken six years for Koufax to start paying big dividends on the $25,000 bonus given him by the Dodgers in 1955. He has a 12-3 record and leads the National League in strikeouts. The fireballing lefty had only 36 victories before this season.

Both Kaline and Groat are hitting well below their lifetime marks this year, but it's certain their clubs are not ready to ask them for refunds. Groat got a reported $40,000 bonus from Pittsburgh in 1952 and Kaline received $35,000 from Detroit in 1953. Kaline, who has a lifetime average of .306, is hitting .286 in 1961. Groat, the National's batting champ last season, has a .272 mark this year.

McCormick got $60,000 from the Giants and McDaniel, $50,000 from the Cardinals. McCormick won 15 games in 1960 and has eight victories this season. McDaniel, one of the game's top relievers, posted a 12-4 record last year, and is 3-3 in 1961.

The Phils shelled out $65,000 for Simmons in 1947 and $25,000 for Roberts in 1948. Simmons won 115 games for his benefactors before they released him last year. He's now 2-6 with St. Louis. Roberts, only 1-8 this season, nevertheless has picked up 234 triumph for Philadelphia including six 20-victory campaigns.

Kuenn, who was given a $55,000 bonus by Detroit, batted over .300 in six of his seven seasons with the Tigers. He's now with San Francisco. Southpaw Antonelli, now with Cleveland, was no ball of fire for the Braves from whom he received a bonus of $60,000 in 1954. But he won 20 games twice for the New York Giants.

Loi To Fight Christensen August 5 As Promoters, RAI Reach Agreement

MILAN, July 17 (AP) — Organizers yesterday confirmed Duilio Loi of Italy will defend his European welterweight boxing title against challenger Christian Christensen of Denmark at St. Vincent, Italy, on Aug. 5.

The 15-round bout will be televised.

Thursday night the match seemed headed towards a new postponement because of difficulties between the organizers and RAI, the Italian state radio-TV company which has the monopoly of radio and television broadcasts in Italy.

But today the organizers announced that, all difficulties being settled, there will be no postponement.

According to the organizers, the Danish fighter already sent his full agreement to the set date of Aug. 5.

Christensen, the boxing promoters said, will arrive in Italy a few days before the match.

Use Force If Necessary, Says De Gaulle

rebel cooperation to lead the area to self-determination and eventual freedom.

The President summed up the Algerian problem in three points:

(1) The establishment of an Algerian state.

(2) The relations of France with this state.

(3) The future of the Sahara.

The President said an Algerian state could arise only from self-determination and a free vote of its inhabitants "because an Algerian sovereignty does not exists as was the case in Tunisia and Morocco."

BONN IS PLEASED

BONN, Sept. 5 (AP)—Government officials in Bonn today welcomed President De Gaulles statements on the Berlin and German problems.

Officials said they fully supported De Gaulle's warnings directed against Premier Khrushchev and agreed with him that the West must now show utmost firmness.

700 Enroll At Moscow

MOSCOW, Sept. 5 (UPI) — Seven hundred students from nearly 70 countries have been accepted by the preparatory department of Moscow's Patrice Lumumba Friendship University this year, the official Soviet news agency Tass said.

Union and the West.

"The U.S. and British representatives," it said, "made a widely advertised proposal to conclude an agreement on the discontinuance of experimental explosions in the atmosphere.

"They admit thereby the possibility of carrying out explosions underground and at high altitudes.

"This is not a new proposal. For a long time the governments of the Western powers have been trying to obtain the right to perfect their thermo-nuclear weapons by carrying out underground explosions.

"Only universal and total disarmament, stressed the Soviet delegate, can solve the question of nuclear tests."

The Geneva talks have been bogged down since their outset by Soviet refusal to accept a workable system of international policing to prevent clandestine nuclear weapons tests and stockpiling.

There has so far been no official Moscow reaction to the Kennedy-Macmillan offer. Deadline for accepting the offer is Saturday.

South Africa To Open 8 Immigration Offices

PRETORIA, Sept. 5 (AP) — The South African government has announced establishment of eight immigration offices in Britain and Europe to recruit new settlers.

The offices will be in London, Glasgow, The Hague, Cologne, Rome, Athens, Vienna and Lisbon.

Sheepish Russian Colonel

East Berlin.

It appeared to be a uncomfortable meeting for the Russian because of a propaganda foulup by the East German Communists. They put out through their official news agency the day before the meeting actually took place an account of what Solovyev supposed to have said.

When the stocky Solovyev, whose head is completely shaved, turned up for the meeting in Gen. Watson's headquarters he appeared somewhat embarrassed. He made a sheepish and oblique reference to the premature news story by observing he expected Gen. Watson knew what he had come to talk about, informants said.

The American statement said Solovyev's remarks "followed in general the broad lines . . . of the premature press release."

The premature East German version had Solovyev lecturing Watson on the need to show respect to the East German authorities.

GIs USE TEAR GAS

BERLIN, Sept. 5 (UPI)—American soldiers used tear gas grenades early today for the first time since they were ordered up to the East-West Berlin border two weeks ago.

A U.S. jeep patrol of an officer and two enlisted men lobbed six or six tear gas grenades across Iron Curtain after Communist police doused the Americans' water from a fire hose hooked to a hydrant.

"There's been no water from other side since," reported Wayne M. Winder, commanding Berlin Command's third group.

But late this afternoon, Communist police used their hose to wash down a Western photographer on the same point along the front to retain that the tear gas incident took place.

The hosing stopped, however, soon as an American jeep patrol appeared.

bolding him incommunicado for more than a month and sentencing him in a secret trial.

Replying to Russian charges that Makinen confessed to espionage, Department spokesman told newsmen, "I think we've had certain instances of so-called confessions there. I do not place any great importance or worth to them."

Mackinen's arrest July 27 was announced only yesterday by Tass, the Soviet news agency. It said the young tourist, formerly a student at West Berlin University, was recruited by "American intelligence" in Berlin and drove from Berlin through Hungary, Czechoslovakia and the Ukraine.

It said he was arrested while taking pictures of a Soviet military installation in the Ukraine.

Izvestia said the prosecution produced "documentary evidence" of Mackinen's guilt — including eight rolls of film and a notebook allegedly found in the young American's money belt.
