Stop Berlin Shooting, West Warns Russians

(Continued from Page 1.)

allied commanders, he told Soviet Commandant Col. A. V. Solovyev that the Western allies held him responsible to see that no new incidents took place, a Western announcement said.

The Western protest was drawn up yesterday before the new shooting incident. It referred to the action of Communist police who fired into West Berlin Wednesday night in a border rooftop chase of two refugees. It also protested shooting at a West Berlin policeman yesterday.

Delacombe, as chairman this month of the Western Allied Military Council here, protested the Communist action as dangerous and irresponsible.

He charged Communist police deliberately opened fire on West Berlin police and officials on border duty.

The British general said West Berlin police showed commendable restraint and self-discipline and were forced to return the Communist fire to protect themselves and West Berliners gathered on Bernauer Strasse where the refugee chase took place.

MIKOYAN ARRIVES

BERLIN, Oct. 6 (AP) — Soviet Deputy Premier Anastas I. Mikoyan arrived in East Berlin today as principal guest of honor at the 12th anniversary celebrations of the East German Communist state.

He told East German Communist Chief Walter Ulbricht and other welcoming Red officials at Schoenefeld Airport that an East German peace treaty will stabilize the political situation and consolidate the peace throughout Central Europe.

There was no reference in his arrival speech, however, to the earlier Soviet promise that the treaty would be signed before the end of this year.

Train Crash

(Continued from Page 1.)

Station just as the train departed from downtown Hamburg for suburban stations.

It was loaded with late pleasure-seekers going home from movies and theaters.

The accident happened on a 30-foot bridge spanning a canal leading to Hamburg's overseas port.

A police launch was searching the canal for passengers that might have jumped in panic from the coach's undamaged rear section and drowned in the canal.

Police said switchman Alfred Messer, 56, was held for questioning. They said Messer was in charge of railroad tracks when the elevated train rammed into the work train.

Syrian Premier Answers Nasser

(Continued from Page 1.)

United Nations or the Arab League.

Al-Kuzbari's remarks were made in a Radio Damascus broadcast billed as an official response to Nasser's "speech from Cairo last night in which he said he would not oppose Syria's admission to the United Nations or the Arab League.

Al-Kuzbari said that Nasser had abandoned his diplomatic blockade of Syria because of "adverse consequences" to the United Arab Republic. The UAR "could not keep breaking off relations with every country that recognized the Syrian Republic," he said.

Nasser severed relations with Jordan and Turkey, the first two countries to recognize the new Syrian government.

The Premier said that Nasser's speech "implied defeat." What Nasser "achieved in Syria was the suppression of freedom and abuse of humanity," he said.

Instead of Egypt supporting the Syrian economy he was "draining" it by a variety of methods including giving Egyptians highly paid jobs in Syria, he said.

Kuzbari said that what Nasser claimed were financial grants were actually short-term loans.

Tokyo Says Plotters Planned To Kill 30

TOKYO, Dec. 13 (AP) — Metropolitan Police said today 13 ultra-rightists accused of plotting against Prime Minister Hayato Ikeda's government had planned to murder 30 or 40 persons.

Takeo Misu of the police Public Safety Section said the 13, arrested in pre-dawn raids yesterday, had plotted assassination of leading officers of trade unions and political parties, in addition to government officials.

Questioning of the 13 failed to turn up any indication they had firm plans for overthrowing Ikeda's government and setting up a right-ist regime, Misu said.

Police quoted the 13 as saying they feared Ikeda's government was incapable of preventing a Communist revolution in Japan.

Misu would not name the 30 or 40 leading Japanese allegedly selected for murder. Neither would he say if the 13 had selected a date to carry out their plot.

However, it was reported the plot was aimed at Socialist Party leaders and officials of the giant left-ist labor union, Sohyo. It also was reported the 13 had selected February as a target date.

Misu emphasized there was no indication that the 13, who included a former general in Japan's pre-war Imperial Army, had gained any support from members of the 240,000-man self-defense forces.

Police are sure they have the leaders of the plot, Misu said, and if more arrests follow it will involve "small people."

Kennedy Plans 2 Major Talks On Latin Trip

WASHINGTON, Dec. 13 (AP) — President Kennedy will cover 6,370 miles by plane, helicopter and automobile in his weekend trip to Venezuela and Colombia.

He also plans to work in half a dozen speeches in the tightly timed journey.

The two major addresses are to be delivered at an agrarian reform site outside Caracas, the Venezuelan capital, on Saturday afternoon, and at the San Carlos Palace in Bogota Sunday night.

Kennedy has allotted time for private talks with his hosts, President Romulo Betancourt of Venezuela and President Alberto Lleras Camargo of Colombia.

In both South American nations, Kennedy will join in ceremonies dedicating projects of the Alliance for Progress — Kennedy's 10-year program for U.S. cooperation with Latin America in economic and social development.

Traveling with Kennedy will be a party of 10, including Mrs Kennedy and Chester Bowles, the President's special advisor on African, Asian and Latin American affairs.

YOUTH SHOT DEAD

CARACAS, Dec. 13 (AP) — A 17-year-old youth was shot dead and another wounded during an anti-American demonstration as Venezuela prepared to welcome President Kennedy.

The slain youth's mother said he was shot while police were dispersing some youths marching with banners which said "down with Kennedy." She said her son was not taking part in the demonstration.

Rocky Denies Plan To Resign

NEW YORK, Dec. 13 (AP) — The New York Daily News said last night Gov. Nelson A. Rockefeller probably won't run for re-election next year, and may re-sign in the spring, thus counting himself out as a potential 1964 Republican Presidential candidate.

The report was immediately denied by Rockefeller's press secretary, Robert McManus, who said:

"Neither one of these statements is true."

McManus said Rockefeller is scheduled to meet with the state's top GOP leaders late this month to map plans for his 1962 re-election campaign.

Italy Fund Drive For Algeria Set

Paolo Vittorelli, a member of the leftwing Italian Socialist Party, has announced that a fund-raising campaign to help the Algerian nationalists will soon be launched in Italy.

Vittorelli made his announcement at a debate on Algeria, sponsored by the Italian Committee for Peace in Algeria, AP reported.

Members of the committee include Socialists and a few Christian Democrats.

Representatives of the Algerian Provisional Government (FLN) participated in the debate.

Norstad Terms Defenses 'Inspiring But Inadequate'

PARIS, Dec. 13 (UPI) — Supreme Allied Commander in Europe Gen. Lauris M. Norstad today called steps taken by the North Atlantic Treaty Organization (NATO) nations to meet the military requirements of the Berlin crisis "inspiring but inadequate."

Norstad told the Assembly of the Western European Union the necessary strengthening of NATO defenses would call for "sacrifices of time, effort and money and there is no way out of this."

He said by the end of the year there would be 25 divisions in the central NATO region with the "effectiveness of 22 or 23 divisions."

Norstad said this represented a 25 per cent increase in the central region's defenses since last summer, which he called "a substantial, significant improvement."

Norstad spoke before the WEU Assembly as the NATO Council of Ministers began a three-day session here.

Norstad said that following the Berlin crisis NATO governments took "politically difficult steps," such as increasing budgets, freezing personnel on military duty, and lengthening terms of service.

He said he was "moved and inspired" by this, "but this was inadequate."

Norstad listed as NATO accomplishments during the past year the establishment of the Baltic approaches Command (Baltap), the coordination of Central European air defenses, and efforts to realize the "NATO fire brigade" highly mobile force.

"We have not made the progress in the organization and development of this force that I would have liked," Norstad said.
